We want to make AI widely
available for everyone to benefit

Be honest

I am being honest

How much does
it cost?

$200 per month

Thank you

AI PRICING IN 2026

## The top 10% of AI power users drive 70%+ of token use

From Kyle Poyar's experience. On a flat subscription, they pay the same as everyone else.

## Companies on hybrid pricing, like a subscription plus usage
